

GIRL

Step by Step portrait drawing with John Exell

I got the photo by searching 'B & W Portraits' on the internet.

Drawing 1

Lightly sketch outline, putting everything in the right place.

Drawing 2

I have thickened the sketch so you can see it. I have sketched the picture in B grade pencil. I am doing the details in 6B grade pencil.

Drawing 3

That's the face done, now to do the rest.

Drawing 4

Almost finished. I'll put it away for a while and come back to it.

Drawing 5

Added a few more details. Finished
